

PRODUCT OVERVIEW

60HP Four-Stroke
Outboard Model: AM60HPL

Designed for those who require high-performance propulsion without compromising on refinement, the 60HP engine delivers a massive 44.1kW at 6000rpm. The four-cylinder configuration ensures exceptionally smooth power delivery and superior torque, making it the definitive choice for larger vessels and offshore applications.

Built for modern convenience, the 60HP features a full remote control system and a reliable electric start, allowing for seamless operation from the helm.

PRODUCT SPECIFICATIONS

Performance Highlights	Specification	Value
	Horsepower	4 Stroke 60 HP
	Maximum Output	44.1 kW @ 6000 rpm
	Engine Displacement	996 cc
	Cylinders	4
	Control System	Remote Control
	Starting System	Electric
Engine Specifications	Specification	Detail
	Cooling System	Water-Cooled
	Fuel Tank Capacity	24 L
	Transom Height (S)	43 cm (Short Shaft)
	Transom Height (L)	57 cm (Long Shaft)

Ideal Applications	Use case	Description
		Offshore Fishing: High output and 6000 rpm capability for reaching distant fishing grounds quickly.
		Leisure Craft: Smooth, quiet four-stroke power for premium recreational boating.
		Passenger & Transport: High-torque four-cylinder performance for moving heavy loads or personnel efficiently.

Warranty Statement:
Manufacturer's warranty statement "Africa Marine" solemnly warrants that your new outboard motor, from the date of original retail purchase, will be free from defects in material and workmanship under normal use and service for the specified warranty period. Should such a defect occur, we will provide "free repair or replacement of parts" through our authorized dealers. 1.What is Covered *Repair or replacement of any part found to be defective in material or workmanship. 2. What is Not Covered * Normal wear and tear (e.g., propellers, spark plugs, impellers, filters, anodes). *Damage from accident, abuse, neglect, improper installation, or use of wrong fuel/oil. * Lack of proper maintenance** (as outlined in the Owner's Manual). * Corrosion** due to improper care or environmental conditions. 3.Owner's Responsibilities * You must properly install, maintain, and operate the motor as specified in the Owner's Manual. * You must retain proof of purchase and complete warranty registration. 4.How to Get Service * Contact an authorized "Africa Marine" dealer for warranty inspection and repair. * Warranty repairs must be performed by an authorized dealer. 5. Transferability * This warranty is transferable to subsequent owners for a fee upon registration. 6.Warranty time *Controller and motor: 1 year. * Drive shaft and propeller: 3 months.
