

PRODUCT OVERVIEW
 15HP Two-Stroke
 Outboard Model: AM15HPL

Built for reliability and performance on African waters, the Africa Marine 15HP two-stroke outboard features a 246cc twin-cylinder engine producing 11kW at 5000rpm.

Compact and easy to handle, it delivers smooth acceleration, responsive tiller control and efficient fuel operation for fishing boats, leisure craft and utility vessels. Designed for durability and simple maintenance, the TKC246J includes CDI ignition for reliable starting, manual start, and Forward-Neutral-Reverse gearing.

A 24L external fuel tank and 50:1 oil mix ensure extended range and dependable operation.
